UNIVERSITET

Lund, 220131

To whom it may concern,

I hereby confirm that Mr Joseph Binns has been working as a Study Support Mentor, beside his own studies, for the Disability Support Services at Lund university, since January 2021.

By working as a mentor/tutor for students with challenges in the study situation, he has contributed to facilitate the study situation and create positive new routines for fellow students. During this year, he has made a significant difference in the life of two students with disabilities, studying at the Faculty of Science.

Joseph Binns is a highly appreciated mentor, both by the students and by us as employers at the Disability Support Services. He is a very dedicated, sympathetic and competent person and we highly recommend him to other positions at the university.

We wish Mr Binns the best of luck,
